ABOUT US

We're a Johor-based baking studio specializing in natural handmade desserts. Experience 100% natural handmade baking, and learn a skill that can earn you extra income. Join our classes today to experience the joy of baking with natural ingredients and expert guidance!

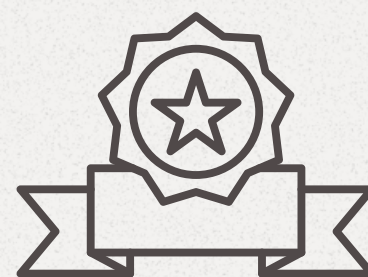

WHY US

Strengthens Communication & Collaboration

Working together to create desserts encourages team members to communicate, coordinate, and solve problems in a fun, low-pressure environment.

Builds Shared Achievement & Team Spirit

Completing a beautiful dessert as a team gives a sense of shared success, fostering stronger connections and a greater sense of belonging.

Professional & Supportive Instructors

Our instructors are skilled, passionate, and provide clear, step-by-step guidance to help every student succeed—no matter their experience level.
